If you attend a class at FCAHS, you will be entering the building via one of two entrances: the High School Office entrance or the Athletic Office (aka, "The Fox") entrance.

If your classroom is a "200" number, you will want to park and enter near the High School Office.

Coming from Fox Chapel Rd on Field Club...

- **DO NOT** turn left at the first "down the hill" entrance to the FCAHS campus, which leads you pass an athletic field on your right and parking lots on your left to the FCAHS stadium.
- **Instead**, look for the second left, Entrance (B) that is just before Cabin Lane on your right.

Coming from Powers Run Rd on Field Club...

- **DO NOT** turn right at the "D" entrance to the FCAHS campus, which leads you towards the stadium sports complex.
